

## Aerospace Medicine Rounds

### "Is there a doctor onboard?" Practical recommendations for providing care at 36,000 feet

Tuesday, April 4th, 2023

12:00 – 1:00 p.m. (EST)

#### Dr. David Kodama

MD MSc FRCPC ACBOM

Emergency Physician & Trauma Team Leader  
St. Michael's Hospital | Unity Health Toronto  
Assistant Professor | Clinician in Quality & Innovation  
Department of Medicine | University of Toronto

#### Learning Objectives:

1. Become familiar with the emergency medical equipment onboard Canadian commercial aircraft, including the contents of the onboard medical kits
2. Discuss the causes of in-flight medical emergencies as well as those that commonly result in aircraft diversion
3. Provide a framework for optimizing the in-flight treatment of passengers who experience a medical emergency

#### Zoom Details:

<https://us06web.zoom.us/j/86279259694?pwd=RFZHNUZYdmRmd1ltOHJkVGNWYmZBQT09>

Meeting ID: 862 7925 9694 Passcode: 132758

A post-rounds evaluation survey will be circulated shortly after this date.

Please email [occmed.div@utoronto.ca](mailto:occmed.div@utoronto.ca) to be added to the Aerospace Medicine Rounds and/or the Occupational Medicine Rounds Mailing Lists.

*The 'Aerospace Medicine Rounds' is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada. **To be eligible for Section 1 MOC credits, participation in the event must be formally recorded. For tracking purposes, participants attending must ensure their Zoom display/login name includes first and last name.***

*If unable to attend, it is possible to claim RCPSC Section 2 credits at 0.5 credits per activity for watching the recorded video. All recordings of prior Aerospace Medicine & Occupational Medicine Rounds are posted here: <https://deptmedicine.utoronto.ca/rounds>*
